I. Liberal Democrat Rangel has introduced a bill which would create a mandatory national police force which would provide for both national defense and Homeland Security!

All Patriots need to stand together as one to make sure this bill never sees the light of day!

NEWS BRIEF: **["Rangel plan gives prez 'civilian security force' "](#)**, By Bob Unruh, World Net Daily, October 28, 2010

"When Barack Obama was campaigning for president in 2008, he visited Colorado Springs and said he wanted to create a **['Civilian National Security Force'](#)** as big and well-funded as the \$650 billion-plus U.S. military, a mysterious campaign promise ignored by virtually the entire media Now Charlie Rangel is proposing that he have it."

Adolf Hitler's rise to power was given great impetus by his "Brown Shirts", a paramilitary group which intimidated opponents and provided a military muscle whenever the Fuhrer needed it. Is this the type of national police force which Obama has in mind? If it is, this force will be better trained and far better funded than Hitler's ever was. That is a sobering fact, because Hitler's Brown Shirts proved to be a formidable force propelling Hitler to power.

Had the Brown Shirts not accomplished their paramilitary task, World War II would never have begun, Europe and Asia would not have gone up in the flames of all-out war, the genocide of 6 million Jews would never have happened and the atomic attacks on Hiroshima and Nagasaki would never have occurred.

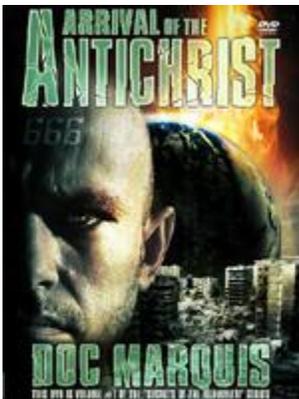

Therefore, this proposal carries a great deal of significance!

"Rangel, facing ethics charges in Congress, has proposed the Universal National Service Act that would require 'all persons' from ages 18-42 'to perform national service, either as a member of the uniformed services or in civilian service in furtherance of the national defense and homeland security'. The plan also authorizes 'the induction of persons in the uniformed services during wartime to meet end-strength requirements of the uniformed services, and for other purposes'."

Mr. Farah of World Net Daily, sounds the alarm:

"If we're going to create some kind of national police force as big, powerful and well-funded as our combined U.S. military forces, isn't this rather a big deal?" Farah wrote. 'I thought Democrats generally believed the U.S. spent too much on the military. How is it possible their candidate is seeking to create some kind of massive but secret national police force that will be even bigger than the Army, Navy, Marines and Air Force put together?' "

Almost daily now, we are seeing more evidence in the Daily News that the planned dictatorship of the global New World Order is taking shape in various countries throughout the world, including America. Once all the building blocks required to erect this most repressive dictatorship in world history is set in place, the transition from Representative Republic to Absolute Dictatorship will take place in as little as three days.

II. The heart of the New World Order is the Nazi Wolf!

America is far done the path of creating the same type of nation which gave rise to Hitler. This interview confirms the warnings of Cutting Edge for the past 20

years.

NEWS BRIEF: "[Former Hitler Youth Whistleblower Warns Of America's Nazi Future](#)", by Paul Joseph Watson, InfoWars, October 28, 2010

"... former Hitler Youth member and World War Two veteran Hilmar Von Campe warns that America's collective turn away from God is greasing the skids for the state to take over as the ultimate authority, threatening a repeat of the rise of National Socialism, as he warns that the Obama White House and the United States government in general now more closely embrace the political doctrines of the Nazis than they do those of the founding fathers."

"Von Campe attributes the fall of Germany to the Nazis partly to 'Godlessness', a collapse in moral standards, and the German people acting contrary to God's desires .. Von Campe explains how children were indoctrinated by the state and the education system to uphold Nazi beliefs and then spy on and inform on their parents if they didn't follow suit, as a way of breaking up families and enforcing a single ideology. He also reveals how the Nazis insisted upon discussion about religion and God being kept out of society, in the interests of ensuring that the people could not call on a higher authority than the state ..."

The very first warning from Cutting Edge in November, 1991, on radio, was that America had replaced her original Christian Values Foundation with the values of Nazism. Please take a moment to read, [CE1001](#), entitled, "America's Satanic Foundation".

As I read this current news article, above, I am shocked to see how much further down this road to the Satanism of Nazism and, therefore, of the coming Antichrist, America has traveled. We also recommend that you read [NEWS1004](#), posted in June, 1996, entitled, "[Parallels Between Bush/Clinton New World Order](#)".

You will be surprised to your inner being at how far down the road America has traveled to erect the very same New World Order which Adolf Hitler established in Germany before he launched World War II in an effort to conquer the world for his new Satanic values system.

Let us return to our featured news story to complete this author's warnings for America.

" 'I cannot understand how the American people can tolerate a thing like this', says Von Campe, making reference to the over 50 million babies that have been killed through abortion in the United States, while drawing other parallels to how the US is beginning to mirror totalitarian states. The only way to change the direction America is heading, warns Von Campe, is to reject immorality and embrace 'absolute moral standards, absolute honesty, absolute purity, absolute unselfishness and absolute love'."

We totally agree, and can see that God's patience is running very thin over the direction America has taken. I can hear God's prophetic words hurled at America:

"Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. For her sins have reached unto heaven, and God hath remembered her iniquities." (Revelation 18:2-5)

Unless the Holy Spirit ignites a revival of monumental proportions, this once-great nation is doomed to suffer God's physical judgment. That time seems approaching very rapidly!

III. The highly toxic dispersant mixed with the spilt oil in the Gulf of Mexico is causing residents to get sick!

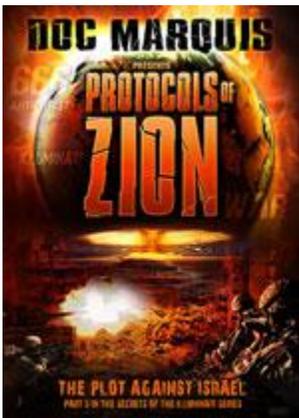

NEWS BRIEF: "[BP dispersants 'causing sickness'](#)", Aljazeera News, 29 October 2010

"Injected with at least 4.9 million barrels of oil during the BP oil disaster of last summer, the Gulf has suffered the largest accidental marine oil spill in history. Compounding the problem, BP has admitted to using at least 1.9 million gallons of widely banned toxic dispersants (one that has been banned in the UK), which according to chemist Bob Naman, create an even

more toxic substance when mixed with crude oil. And dispersed, weathered oil continues to flow ashore daily."

"According to Naman, poly-aromatic hydrocarbons (PAHs) from this toxic mix are making people sick. PAHs contain compounds that have been identified as carcinogenic, mutagenic, and teratogenic. Fisherman across the four states most heavily affected by the oil disaster - Louisiana, Mississippi, Alabama, and Florida - have reported seeing BP spray dispersants from aircraft and boats offshore."

Each card of the [Illuminati Card Game](#) depicts an action which the Illuminati is planning to take which will overthrow this Old World Order so the New can be established. Therefore, this "Oil Spill" card was planned to be part of the overthrow of this current world system. How can this oil spill aid in the toppling of our current world system?

DVD

If enough people get angry enough at the inept action of our government leaders, they just might be more apt to follow the coming Antichrist as he promises to end all stupid actions of our government leaders in his enlightened rule. Before you scoff at this suggestion, remember the portion of the **"Protocols of the Learned Elders of Zion"** which Doc Marquis quoted in this new DVD.

Listen to the shocking words of this Plan, drawn up 200 years ago.

"The recognition of our despot may also come before the destruction of the constitution; the moment for this recognition will come when the peoples, utterly wearied by the irregularities and incompetence - a matter which we shall arrange for - of their rulers, will clamor: 'Away with them and give us one king over all the earth who will unite us and annihilate the causes of disorders - frontiers, nationalities, religions, State debts - who will give us peace and quiet which we cannot find under our rulers and representatives'." (**"Protocols of the Learned Elders of Zion"**, 'We Shall Destroy', paragraph 18)

The Illuminati knows human nature very well, and has planned deliberate incompetence by officials serving during the time of the Old World Order as

a mighty stimulus to convince people they desperately need a change of system, not just of leaders.

Thus, the incompetence of Bush officials at the time of Hurricane Katrina, added to the incompetence of Obama officials during this Gulf Oil Spill, both add up to the implementation of the very same goal: the overthrow of this system so that Antichrist can arise to erect his new system.

And, this scenario is unfolding right in front of our eyes!
