

My Vision on the State of the Church and the World

On Sunday, January 28, 2018, I was shown a vision on the state of the church and the world. I was shown that the church is bending over backward in order to align itself with the world and to unassociate itself with any rudiment of fundamentalism. I was shown that we are to be true reformer fundamentalists by way of advancing true reformer principles that will be given to us of God, as advancing truth until Jesus comes.

I was shown that it was a very foolish virgin act on the part of Ted Wilson, President of the professing Seventh-day Adventist New Movement, New Organization, to announce in a recent edition of the church's flagship magazine, *Adventist Review*, that the church is not fundamentalist by appropriating strawman examples of why it is not in the fundamentalist category because it does not subscribe to some of the fundamental practices of some fallen Babylonian churches. I was shown that all the true and peculiar doctrines of true and faithful Adventism are the epitome of true fundamentalism.

I was shown that it was a most fallacious act for President Ted Wilson to announce that there is no Sunday law coming down the tube, when the Pope has been working very strenuously to bring about that very thing. It has the effect of causing God's people to slumber-on, and ignore the signs that are occurring all around us that a National/Universal Sunday is certainly in the making and more imminent than most suspect. Pope Francis has blamed about every recent catastrophe on the violation of Sunday worship. I was shown that this will increase and come to a crescendo when God sends judgments upon the world before the last great day, in order to awaken all who will be awakened. All God's judgments will be blamed on Christians and Sunday desecration.

“Terrible as was the representation that passed before me, that which impressed itself most vividly upon my mind was the instruction given in connection with it. The angel that stood by my side declared that God's supreme rulership and the sacredness of his law must be revealed to those who persistently refuse to render obedience to the King of Kings. Those who choose to remain disloyal must be visited in mercy with judgments, in order that, if possible, they may be aroused to a realization of the sinfulness of their course.”—*Testimonies for the Church* 9:92, 93. {3SM 41.1}

I was shown that Satan is in a panic concerning the daily extinction of the animal species (about 200 per day), and what this will do to the balance of nature. He is using climate change in a desperate attempt to correct the evils that have resulted from his errant measures over the ages. I saw that his worshipful patrons should be able to reason that if he were god, he would have prevented these things before they ever began, but that this was impossible because of his ignorance of creation and the intricate balance of nature.

God is going to destroy those who destroy the earth He made:

Rev 11:18 And the nations were angry, and thy wrath is come, and the time of the dead, that they should be judged, and that thou shouldst give reward unto thy servants the prophets, and to the saints, and them that fear thy name, small and great; and shouldst destroy them which destroy the earth.

The State of the World

I was shown that the model for Satan's New World Order is socialist/communist enslavement, and that the mother earth movement will be implemented to achieve that goal. Folk will be led to believe that the earth is so threatened by imminent disaster that severe measures are entirely necessary to the extent that man will be taken back to the pre-industrial mode of things. This is the objective in order to save mother earth, and this will be developed to the degree of religious fervor.

Children are now being taught socialism in grade school and it is becoming very popular in America. It is also being taught by university professors, 9 out of 10 of which are Zionist New Age advocates

The population is being subterfuged by drugs. The book *Protocols of the Learned Elders of Zion* <http://www.jewwatch.com/jew-references-protocols-full-text-folder.html> prophesied that they would use this means to subjugate the masses and this is fulfilling right before our eyes.

Drugs are being used to destroy the minds of masses of the population so that there will be less potential for able bodied resistance to the enslavement of the New World Order.

As usual, anyone who exposes any of this data is made to appear as psychotic and off his/her beam! This is essential to Satan's plans for him and his agents to be thus protected so as to facilitate his materializations.

The entire entertainment industry is controlled by Zionists who are Kabbalist worshippers of Lucifer. Most presidents of the United States and leaders of the world have been members of secret societies. All three of the Bush dynasty presidents have been members of Skull and Bones. I was shown that it is only natural that Satan would use

God's first chosen people to spite Jesus, and that is exactly what he is doing.

I was shown that the array of presentations in this vision depicts a representative sampling of the realm of Satan's conspiratorial confederacy. There is one way, and only one way to avoid the devices of Satan, and that is devout love for, and obedience to the commandments of God, His hedge of protection for His people. His commandments are a revelation transcript of His character, and by loving His commandments as David did, we thereby know that we love our Lord and Saviour Jesus Christ. Jesus tells us that this is the test for KNOWING that we are in a relationship of love with Him. I was shown that there is no relationship without this element of love for Christ and His commandments. Any other relationship is homage and obeisance to Satan.

The highest good, crowning gift of heaven, is the Holy Spirit Comforter, the Divine Nature of Christ our Lord and Saviour. This gift provides all that man needs to enable him to keep God's commandments. This hedge of protection is going to become more and more necessary as we become bombarded by Satan's devices at this end-time. Don't let anyone lead you away from God's law.
