Obama claims "I'm a Christian by choice" but governs as a Muslim

"I'm a Christian by choice," said President Obama yesterday on the campaign trail, losing his mid-term elections and trying to win Christian votes. Obama seeks to overcome public opinion polls in which 18% say he is Muslim and 43% say Obama's religion is unknown. But here's my question: **Why does he campaign like a Christian, but govern like a Muslim?**

- 1) While governing, Obama said, "I am a Muslim, the son of a Muslim father and stepson of a Muslim stepfather, my half-brothers in Kenya are Muslims, and I am sympathetic to the Muslim agenda," during a private meeting with Egyptian Foreign Minister Abul Gheit last year.
- 2) "Whatever we once were, we are no longer a Christian nation," Obama told Sojourners.
- 3) "John McCain has not criticized my Muslim faith," Obama told ABC.
- 4) Obama has twice celebrated Muslim Ramadan with big banquets, but twice refused any White House

ceremony for the Judeo-Christian National Day of Prayer.

5) The Obama Administration defended seizing and burning our troops Christian Bibles, but made a big deal when a Christian minister *almost* desecrated his own Korans.

6) Obama repeatedly defends building a "Victory Mosque" at Ground Zero, but would never ask the Saudi or Afghan governments to allow Christians to build churches.

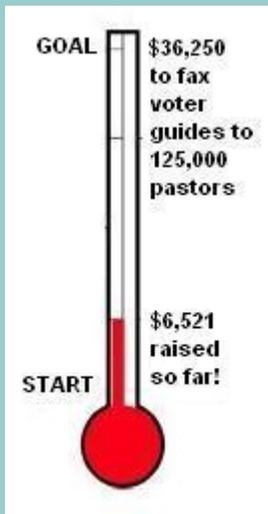

7) Obama praised Islam as "a great religion and its commitment to justice and progress" in his address to Muslims translated into many languages for worldwide distribution.

While campaigning, however, Obama needs Christian votes to keep his majority in Congress, so now he says: "I came to my Christian faith later in life...my mother didn't raise me in the church...it was because the precepts of Jesus Christ spoke to me...Jesus Christ dying for my sins spoke to the humility we all have to have as human beings, that we're sinful and we're flawed and we make mistakes, and that, you know, we achieve salvation through the grace of God...That's what I pray to do every day. I think my public service is part of that effort to express my Christian faith." **[But when governing Obama promotes tax-funded abortions, homosexualizes our military against their will, and appoints Judges like David Hamilton who ruled it's illegal to pray "in Jesus' name," but totally OK to pray to Allah in public.]** Does anybody see the duplicity here?

While campaigning for Christian votes, Obama claims to follow Jesus, but when governing he acts like a Muslim follower of Mohammed. **That's why we need to fax voter guides to 125,000 Christian pastors**, to expose how Nancy Pelosi and Harry Reid have enacted Obama's pro-abortion, pro-homosexual, anti-Jesus legislative agenda. **NO OTHER MINISTRY IN AMERICA IS FAXING VOTER GUIDES TO 125,000 PASTORS.** We're making history. But we're far in the red on this project. Please help join us...

We are excited to release and publish today our FREE VOTER GUIDES for five states of FLORIDA, INDIANA, IOWA, KANSAS, KENTUCKY and urge you to **please forward this email to friends (especially to pastors) who live in those five states.** We will soon fax these to thousands of pastors in those states. With God's blessing (and your help) **the Church can take back Congress!**

OUR PLAN HAS PROVEN RESULTS, since it already worked in Virginia elections in 2009. (Before: 48-43% polls. After: 59-41%). We put real paper on the desk of real pastors to help mobilize the church to vote smartly. Just imagine if 125,000 pastors across America copied and distributed in church our free 8.5x11 non-partisan voter guides, as legally authorized by the IRS. Just imagine if all CHRISTIAN VOTERS were told simply **how their incumbent Congressmen voted on whether to fund abortion** with our tax-dollars, or whether to enforce the homosexual agenda upon our churches, military, and judiciary. How would Christians vote this fall? **Let's defend the rights of unborn children, and stop the homosexual agenda for good, by taking back the House and Senate.**

PLEASE [DONATE](#) TO HELP FAX FREE VOTER GUIDES to 125,000 churches on real paper! Sponsor & mobilize one voting church for just 29 cents. We need these amounts:

Breaking News: The Pray In Jesus Name Project has found a way to **help the faith-based community take back Congress this fall, by mobilizing 125,000 patriot pastors to "get out the church vote."** But we need your [help here](#). Former Navy Chaplain Gordon James Klingenschmitt is planning to fax up to 125,000 conservative pastors willing to receive FREE VOTER GUIDES, which are now being printed for all 50 states.

These voter guides are non-partisan, and neither endorse nor oppose any candidate for office, they

simply report factually the votes of all incumbent Congressmen and Senators on three to seven key issues that are important to Christian people. **The IRS has specifically authorized both churches and 501c3 organizations to distribute non-partisan voter guides** like ours, so long as they only report facts such as "how Congress voted" without substantial editorial comment. An example voter guide is can be [found here](#).

In the next three weeks, IF ENOUGH CITIZENS PLEASE DONATE to buy subscriptions for every pastor in their own state (at just 29 cents per pastor, far less than postage!), we will **fax real voter guides on real paper to thousands of churches, preparing those pastors** to lead their churches to vote at the ballot box on November 2nd, 2010. Our fax machines are loaded and ready to blast nationwide. [But we cannot proceed without funds](#). How many pastors can you sponsor with a donated subscription? The voter guides are free, but it will cost us up to \$36,250 to properly distribute them to real pastors on real paper. How many churches can you sponsor? What small or large amount can you pitch in?

REID, PELOSI: "You're paying for abortions whether you like it or not."

How much would you pay to see the "shock and awe" look on the faces of Harry Reid and Nancy Pelosi this fall? Now think strategy:

How many millions of dollars will be wasted on ads that don't mobilize Christian voters? For just 29 cents, we can equip and mobilize an entire church of voters. For just \$29, we can mobilize 100 churches. For just a few thousand dollars, we can wake the entire nation. **We don't need millions, just a few thousand dollars spent wisely,** and SUDDENLY WE WIN.

Chaps' Editorial Commentary: Nancy Pelosi's Congress, and Harry Reid's Senate cannot run away from their voting record. If we simply tell the pastors without bias how Harry Reid's Senate voted to confirm the Anti-Jesus Judge David Hamilton (**remember the Judge who ruled it's illegal to pray in Jesus' name, but legal to pray to Allah?**), how will Christian people vote?

If we simply report the non-partisan voting record of Nancy Pelosi's Congress, **who voted to pay for abortions with our tax-dollars in Obamacare "health" bill**, how will Christian people vote? How can we stop the Senate from forcing open homosexual aggression on our troops? Send them a message in the elections, **BUT FIRST INFORM CHRISTIAN VOTERS by simply listing the names of those Congressmen who voted to repeal Don't Ask, Don't Tell. Pastors, we must not fear the government. It is time for the government to fear the Church of Jesus Christ.** Let God arise in us.

We can do this. It's not hard. Please [do your small part](#), and our fax machines will do the rest. If you help us reach our \$36,250 goal this month, together we can wake up 125,000 pastors. We will equip them with black and white paper handouts they can photo-copy and distribute in their churches, **TOTALLY LEGALLY** without fear of harrassment by the IRS.

Just imagine: Pro-life Congressmen taking back the House. Pro-marriage Senators taking back the Senate. Pro-Jesus and Pro-Free Speech Representatives in Washington DC! It's not only possible, we can make it a shocking and awesome reality, right now.
