

Should Christians Insist On Tearing Down The Washington Monument?

Subtitle: Even though the Washington Monument is the most disgusting symbol in all Satanism, Americans have allowed it to be honored as the most important symbol of this country! Do you know enough to be scared?

Why would I even suggest the destruction of the Washington Monument?

After all, this monument today is the most important symbol of Washington, D.C., and the American Government in the world today. You see the Washington Monument on travel brochures, in travel TV spots, and in TV shows. This building has come to represent the government of the United States.

Why would I suggest the destruction of this "national treasure"? Such a clarion call seems almost unpatriotic, right?

The Washington Monument is an obelisk, a sexual symbol of Baal's shaft so beloved by Satanists for the past 4,000 years.

What is an obelisk?

Obelisk - Researched by New Age Author

The obelisk was created by the Egyptians during the time of their greatest splendor, with one of the greatest obelisks being created as a present to Cleopatra, Queen of Egypt, in the First Century, B.C.

"The Egyptians had developed a means of placing these huge blocks of granite directly onto a cubical pedestal which had to be absolutely level in order to have the apex of the obelisk truly vertical over its base..." [***The Magic Of Obelisks***", by Peter Tompkins, Harper and Row Publishers, Cambridge, Philadelphia, San Francisco, p. 6.]

But, what are obelisks, and what is their use? New Age author Peter Thomkins set out to discover this answer. In researching obelisks, Tompkins was surprised that he "encountered the murky worlds of witchcraft, voodoo, demonology, and the darkest recesses of the human mind".[Ibid., p. 2]

In other words, this White Magic author discovered that the obelisk represented the very evil world of the Black Magic practitioner!!

The purpose of the obelisk was to worship the ancient Egyptian Sun God, 'Ra'. [Ibid., p. 7]

Remember the ancient Egyptian Sun God, 'Ra'? In Exodus 10:21-23, we find that God sent intense darkness to cover the entire land of Egypt, to demonstrate that He was more powerful than their greatly revered Sun God, 'Ra'. The Satanists of Ancient Egypt believed that the spirit of this Sun God dwelt within each obelisk. Therefore, each adherent to this Egyptian religion was committed to worshipping this spirit of 'Ra'. They were to "face the obelisk" at least once a day, and preferably three times daily. The worship of the Sun God has been preserved in Secret Societies through today, and their worshippers "face the obelisk" daily!

Therefore, the ancient Egyptian Mysteries religion considered the obelisk to be the idol of their Sun God, Ra! They were worshipping Ra's spirit believed to reside in each obelisk. Does modern Freemasonry ascribe the same belief to their obelisks today? Yes, they do, as this quote from 33rd Masonic leader, Albert Pike, proudly boasts:

"Masonry is identical with the Ancient Mysteries," (Albert Pike, "Morals and Dogma ", p. 624, Teaching of the 28th Degree)

"... our mode of teaching the principles of our profession [Masonry] is derived from the Druids ... and our chief emblems originally came from Egypt ..." [William Hutchinson, Mason, The Spirit of Masonry, revised by George Oliver, New York, Bell Publishing, originally published in 1775, p. 195]

Albert Churchward, another Masonic writer, states that Masons are "our present Druids". [Albert Churchward, "Signs and Symbols of Primordial Man: the Evolution of Religious Doctrine from the Eschatology of the Ancient Egyptians", London, England, George Allen and Company, Ltd. 1913, Second Edition, p. 189.

All the Ancient Mysteries revered the obelisk idol just as boldly as do modern Freemasons. This religious reverence to a rock created by human hands is idol worship, plainly and simply. Not only has God condemned idol worship all throughout the Bible, but He specifically warned the Israelites not to worship any of the Egyptian gods, the Egyptian idols. Listen:

"... defile not yourselves with the idols of Egypt; I am the Lord your God." (Ezekiel 20:7; [Parallel Bible, KJV/Amplified Bible Commentary](#))

"But they rebelled against Me and would not listen to Me; they did not every man cast away the abominable things on which they feasted their eyes, nor did they forsake the idols of Egypt. (Ezekiel 20:8, Ibid.)

"And the spirit of the Egyptians within them will become exhausted and emptied out and will fail, and I will destroy their counsel and confound their plans; and they will seek counsel from the idols and the sorcerers, and from those having familiar spirits (the mediums) and the wizards." (Isaiah 19:3; Ibid.)

As bad as these warnings are, the Apostle Paul warns us that the spirit behind an idol is a demonic spirit! Listen to his warning:

"But I say, that the things which the Gentiles sacrifice, they sacrifice to devils, and not to God." (1 Corinthians 10:20)

Obelisk Worship = Sex

However, there is more horror to this subject of worshipping the obelisk. Not only is the spirit behind the Egyptian Sun God 'Ra' a demonic spirit, but this worship of his obelisk is a worship of sex! Listen to this revelation.

"But, there is yet more to the shape of the obelisk. Egyptian legend holds that the god, Osiris, was killed and that his sexual shaft was cut into 14 pieces. The obelisk represents Osiris' male phallus. Later, as the paganism of the Chaldeans began to take hold in the Middle East, the obelisk was recognized as the male shaft of Baal, the god so hated by the Almighty God of the Holy Bible. Later still, in the Greek Mysteries Religion, "Pan the goat god and god of (sexual) sensuality, was often represented by an obelisk". [Dr. Cathy Burns, ["Masonic and Occult Symbols Illustrated"](#), p. 340-1]

The obelisk is the sexual erect shaft of the Sun God -- by whatever name -- Ra, Baal, Osiris, Pan, Lucifer!

Can you now realize why God Almighty was so angry with the Israelites who worshipped Baal through obelisks? Listen to God's opinion of obelisks and His instruction as to what the people were to do with them.

"But you shall destroy their altars, dash in pieces their pillars (obelisks, images), and cut down their Asherim [symbols of the goddess Asherah]." (Exodus 34:13; [Parallel Bible, KJV/Amplified Bible Commentary](#))

"YOU SHALL make for yourselves no idols nor shall you erect a graven image, pillar, or obelisk, nor shall you place any figured stone in your land to which or on which to bow down; for I am the Lord your God." (Leviticus 26:1; Ibid.)

"They brought out the pillars or obelisks of the house of Baal and burned them." (2 Kings 10:26; Ibid.)

"He took away the foreign altars and high places and broke down the idol pillars or obelisks and cut down the Asherim [symbols of the goddess Asherah]." (2 Chronicles 14:3; Ibid.)

"NOW WHEN all this was finished, all Israel present there went out to the cities of Judah and broke in pieces the pillars or obelisks, cut down the Asherim, and threw down the high places of idolatry and the altars in all Judah and Benjamin, in Ephraim and Manasseh, until they had utterly destroyed them all ..." (2 Chronicles 31:1; Ibid.)

What did God want His people to do with all obelisks? He commands, "utterly destroy them all"

Then, God reveals that He will use Babylonian Pagan King Nebuchadrezzar to destroy the obelisks which Israel has brought from the land of Egypt.

"[Nebuchadrezzar] shall break also the images and obelisks of Heliopolis [called On or Beth-shemesh--house of the sun] in the land of Egypt, and the temples of the gods of Egypt shall he burn with fire." (Jeremiah 43:13; Ibid.)

"With the hoofs of his horses [Nebuchadrezzar] will trample all your streets; he will slay your people with the sword and your strong pillars or obelisks will fall to the ground." (Ezekiel 26:11)

Finally, God complains that Israel takes the goodness of rain and good crops from His hand, only to then turn around to worship at the obelisks. In fact, the more prosperous God allowed Israel to become, the more her people turned to the false gods!

"ISRAEL IS a luxuriant vine that puts forth its material fruit. According to the abundance of his fruit he has multiplied his altars to idols; according to the goodness and prosperity of their land they have made goodly pillars or obelisks to false gods." (Hosea 10:1; Ibid.)

Let us summarize what we have just learned.

- 1) God detests the worship of Baal, symbolized by the obelisk.
- 2) God ordered the godly kings of Israel to take these actions concerning obelisks. They were to:
 - a) "dash in pieces their pillars, obelisks, images..."
 - b) The people were ordered to not even build an obelisk
 - c) "All" Obelisks were to be burned!
 - d) Jewish leaders were to "break down the idol pillars or obelisks".
 - e) God even raised up a pagan king, Nebuchadrezzar, to break down the obelisks which the Israelites refused to do!

The Washington Monument

With this in mind, let us now study the world's largest and most prestigious obelisk of all, the Washington Monument.

The Washington Monument is the most important Presidential monument to the occultist, because it is an obelisk set inside a circle. What, you are probably saying, is an obelisk? An obelisk is a tall, four-sided stone pillar tapering toward a pyramidal top. The obelisk is critically important to the occultist because they believe that the spirit of the ancient Egyptian sun god, Ra, resided in the obelisk. Thus, the obelisk represents the very presence of the sun god, whom the Bible calls Satan!!

The Washington Monument was built to commemorate our First President, George Washington. In light of the symbols which we have just studied, which have been built into the layout of Government Center, I believe the Washington Monument was constructed by Masons, according to Masonic tradition, as a symbol that this country was controlled by Freemasonry from the very beginning. Further, the Washington Monument has Freemasonry stamped all over it:

* It is built from 36,000 separate blocks of granite. The number 36 is derived from multiplying 3x12 and is an important number.

* Its capstone weighs exactly 3,300 pounds. The number, '33' is the single most important number in Satanism (Read full details in [NEWS1788](#), penned as American forces invaded Iraq!)

* The Washington Monument is 555 feet tall ([NEWS1463](#)) and is 111 below ground ([NEWS2236](#)).

Of course, when you add these two numbers, you get '666', the Biblical number for the coming Antichrist (Masonic Christ).

But, there is more to these two numbers.

The number '5' in Satanism carries the connotation of "Death". When the occultist wants to magnify the meaning of a number, he repeats it once or twice. Thus, the number '555' to the occultist means "triple death", the greatest amplification of a number possible. But, why are we surprised? The major goal of modern Freemasonry is to destroy this current civilization and world order so a New World Order can be established.

Please consider another bold instance where a practicing occultist secretly signaled to other occultists that his invasion of Iraq was meant to cause unparalleled death and misery to the Iraqi people. Even though Bush publicly branded his invasion as "Operation Enduring Freedom", he secretly signaled to others of his secret society ilk that he planned great death and destruction. How did he send this signal?

He ordered the invasion of Iraq on Day '555' after the attacks of 9/11! (Read full details in [NEWS1789](#) and [NEWS1808](#)).

Now, let us return to our discussion of the Washington Monument.

* The monument contains 188 specially donated Memorial stones, most of them donated by individuals, societies, cities, and nations throughout the world. But, Masonic lodges throughout the world contributed 35 of these Memorial stones. These 35 blocks were intermingled with the other Memorial stones, but the last several of them were placed at the 330 foot level.

* The total cost of the Washington Monument was reported to be \$1,300,000, showing again a most important Masonic number, 13.

* The Monument has 8 windows, and together they total 39 square feet in size. The number 39 is very sacred because it is formed by multiplying 3x13. And, also remember the importance of the Number 8 in Occultic Numerology, for it carries the meaning of "New Beginnings". Combined with the meaning of Number 13, as "Extreme Rebellion", you get the total message that this "New Beginning" {New World Order} is to be carried out in "Extreme Rebellion".

There are several other, more complicated Masonic numbers concealed within the construction of the Washington Monument, but you get the point: This monument, constructed to honor the first Masonic President, was designed so that both the White House and the Capitol face toward it so that the leaders of both branches have to face the spirit of Lucifer / Ra thought to be residing in it. This is typical occultism.

When I walked Government Mall during the time we were shooting the DVD, ["Riddles In Stone: The Secret Architecture of Washington, D.C."](#), I was amazed how precisely the Washington Monument faced both the White House and the Capital Building (See mp on [NEWS1040](#)). Any practicing occultist in either the White House or the Capitol Building could easily bow down to the obelisk, an act they are required to do one to three times daily! Since many Presidents and lawmakers have been practicing Masons, it is easy to understand how important it was to the Masonic architects of Washington Government Center to so precisely place the obelisk.

Unknown to the vast majority of Americans, residents of both the White House and the Capitol have daily revered the obelisk just as any devout pagan would do.

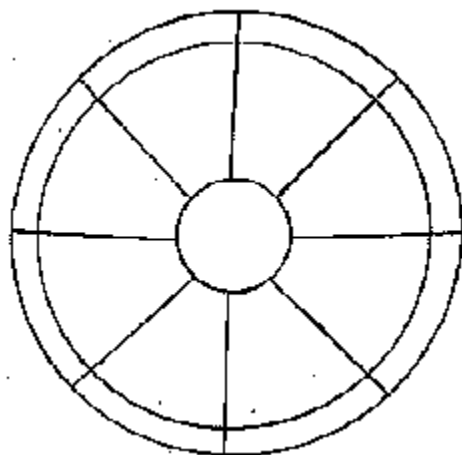

But, there is more filth to the obelisk in God's sight!

Sex In The Washington Obelisk

Looking upon the Washington Monument from above, you will see that it is sitting in a circle Position yourself high enough above the obelisk and you will see that the obelisk is reduced to a single dot within the circle. How is this significant?

"The point and the circle carries a sexual connotation. How can this be, you might ask? If you have to ask that question, you do not have the mind and heart of a **pagan**. One Masonic author states that this symbol is used in Sun Worship, and then says: "The female principle, symbolized by the moon, assumed the form of a lunette [small circular opening], or crescent, while the male principle, symbolized by the sun, assumed the form of the lingam [Phallus] and placed himself erect in the center of the lunette, like the mast of a ship." [**"Point Within A Circle"**, *Short Talk Bulletin* , August, 1931, Masonic Bulletin designed to read within the Lodges, p. 4]

Masonic author, George Oliver states, "It is remarkable that in all the ancient systems of mythology, the Great Father, or the Male Generative Principle [**Phallus**] was uniformly symbolized by a point within a circle. [Oliver, **Signs and Symbols**, Macoy Publishing and Masonic Supply Co., p. 14; also R. Swinburne, *The Mysteries of Osiris or Ancient Egyptian Initiation*, p. 185]

When the Satanist wants to depict the female sexual organ, he commonly uses the circle. In this case, we are showing a type of circle that Satanists really love to use, called the "8-Step Path of Enlightenment". Satanists believe that a person needs to go through 8 separate steps to become *fully enlightened spiritually*. The eighth and final step is the Sex Act. Notice that the very center of this symbol is a very small circle. This symbol is the ultimate female sexual representation.

Now consider the obelisk again, depicted here by the *Washington Monument*, probably the most famous of all the obelisks in the world. The obelisk is the most recognized of all phallic symbols.

When the obelisk is depicted within a circle, the Satanists are depicting the sex act between male and female. In Washington, D.C., the Washington Monument is sitting within a circle. Freemasonry planned, designed, and created the Washington Monument. The obelisk is greatly revered in Masonry, as a quick tour of a cemetery in New England will tell you. You can immediately tell which graves are Masonic by the obelisks as their headstone; now, not all Masons choose the obelisk as their headstone, but I have never seen a person who was not a Mason choose an obelisk as their headstone.

God Himself has defined Paganism as "worshipping the Creature rather than the Creator [Romans 1:25], and He is exactly right. Demons are constantly trying to get men to worship something other than the One True God. They have been successful in getting man to worship Nature, Animals, Trees, Bees, Birds, Reptiles, the Sun, the Stars, and just about everything God has ever made. But, the easiest thing to get man to worship is sex. This is why occultists have created the 8-Fold Path to Enlightenment, with the circle in the middle. This circle represents the female vulva in demonic spiritual teaching.

The obelisk was created by the demon Prince of Egypt, one of the most powerful demons in Hell.

Thus, the obelisk was the Male phallus, while the circle represented the Female vulva. Whenever Satanists wanted to represent the Great Sex Act, he merely inserted the phallus of the obelisk into the vulva of the circle. It was slick and it was easy.

But, there is more to this terribly heinous symbol, the obelisk.

Energy-Conductive Shapes

Trailer

The "New Atlantis", later called the United States of America, was to establish the One World Government, Economy, and Religion of The Christ [Antichrist]. America was planned as far back as the early 1590's to fulfill this role, just as we demonstrate in the DVD, ["The New Atlantis"](#).

And, Washington, D.C., was deliberately planned to be the Capitol of this new kingdom dedicated to Serpent Power.

Listen to a former Satanist -- Cisco Wheeler -- describe this powerful force from the Pit of Hell.

"A Dragon [Serpent] culture will flourish upon this planet as mankind regains the secret knowledge and technology as well as physical bodies that will have the Life Force of Serpent Power flowing within them. As in the past, new dwellings and all public buildings will be built in, or on, energy-conductive shapes, i.e., Pyramids, Spheres, Obelisks, and Domes. Like Washington, D.C., other cities will be tied into both the Planetary and Galactic Grids, in order to re-establish lines of communication with the Third and Fourth Dimensional Serpents."

The Capitol of the United States -- Washington, D.C. -- was built exactly according to these "energy-conductive shapes". Within the city, you see pyramids [triangles] galore, along with Spheres, the largest and most famous Obelisk in the world, the Washington Monument, and Domes on many of the buildings. Masonic planners fully intended to build a city that would "re-establish lines of communication with the Third and Fourth Dimensional Serpents!"

In the mind of the occultist, Washington, D.C., literally was an open channel of Satanic power, emanating from the vortex of the earth on which she was built, and extending into the Third and Fourth Dimensions, calling forth Serpent Power upon this Capitol City, and the nation of which she is a part! Now, are you beginning to see a secret America which you did not know existed?

[Trailer](#)

Cisco then tells us how this Serpent Power acts within such "energy-conductive" shaped buildings

"When a structure is in place, according to rule, the Serpent/Dragon that is living within each building takes on the form of a serpentine spiral of energy. An occult priest, a Master, can physically 'see' the spiraling, etheric body ... the Serpent has the ability to place special energy in these type structures as these megalithic forms become the physical home of the etheric serpent and its spiraling body . The Serpent will continually move left to right, up and down, inside and outside the structure. This makes the spirit more conductive; 'Phi' or the 'Golden Proportion', the numeric constant which determines the serpent spiral is incorporated into the dimensions of these structures, so the megaliths will fully harmonize with the movement of the Life Force."

"As the serpent Life Forces spirals down one branch off the conductive structure, its essence is transferred into a network of dragon lines which will go off in all four directions, following structured pattern lines. This energy must be harnessed as its dispersing Life Force must not be allowed to dissipate. This is the deepest reason the colonizing Serpents [demons] strategically place churches, temples, and buildings along Earth's etheric highway grid ... Other forms that can be used to house this Serpentine spiral energy are triangles, six-pointed stars, spirals, crosses, phallic symbols like obelisks, and stones. Collectively, these structures support self-sufficient Dragon Communities."

Now, you can get an idea as to why the government building to house our military might was built in the form of a Pentagon, that powerful 5-pointed symbol of Satan's power. The Pentagon was built to "support self-sufficient Dragon/Serpent Communities".

NOTE" Former Mason and Mormon, Bill Schnoebelen, informs us that Mormon Temples are deliberately constructed in "Energy Conductive Shapes". Bill calls them "Demon Magnets". Such shapes are important to the Satanist, the Masons who created Washington, D.C., and to the Mormons who have incorporated them into their buildings, especially the Temple in Salt Lake City.

Further, in [NEWS1399](#), we reported the fact that the entire shape of Government Center, also known as The Mall, was in the form of the [Sephiroth Tree of Life](#)! A Satanic depiction of a Serpent coiling around and through and upward in a Sephiroth Tree of Life is exactly what our Masonic Forefathers were aiming to accomplish in Government Center, Washington, D.C. These Masons knew exactly what they were intending to do, i.e., establish Washington, D.C. according to Serpent Power , so they could open a direct communication with the Third and Fourth Dimensional Serpents!

The obelisk is the most important part of this entire pattern and structure. Thus, the Washington Monument is most important as a link between Earth and the upper dimensions, as Cisco explains:

"The obelisk is a very important energy conductive marker. An obelisk is taught to Masons as a symbol of the phallus, but the deepest level meaning is that it is really a 'frozen snake'. Obelisks support the Serpent Life Force as it spirals between Heaven and Earth. The shape of the Obelisk was inspired by huge generator crystals, Atlantean 'fire stone', the life force accumulators and amplifiers." Now you can understand the reason the Masons were so anxious to have the Washington Monument erected in the Government Center, as it is thought to literally "arc" the Serpent Life Force between Heaven and Earth, powerfully driving the government of the United States to be the most influential mover and shaker of the coming Kingdom of Antichrist, the New World Order.

Washington, D.C., was created to be the first such Dragon, or Serpent, City. Others are planned to follow, as soon as The Christ arises on the Earth Plane. Once Antichrist arises, and gains control over the entire earth, and "cleanses" the earth of all negative influences, then the Golden Age of Peace, Safety, and Prosperity can begin. At this point, many such Serpent Cities will be built, each on a vortex on the Planetary Grid.

If Washington, D.C., was truly built as a Serpent City reverberating with Luciferian power, then we should expect to see Serpent symbols incorporated in government buildings. Occultists love to communicate with each other, and over the passage of eras of time, through symbols.

As we demonstrate in the DVD shown above, ["Riddles In Stone: The Secret Architecture of Washington, D.C."](#), America's Capitol City was, indeed, planned according to Black Magick doctrine and purposes. Washington was designed by Freemason L-Enfant according to the wishes of Masonic President George Washington. The City was planned according to the shape of some stars, and according to the position of other stars, while key capstones and buildings were dedicated according to Astrology. One Masonic author even stated that our Masonic Founding Fathers believed that gods and goddesses resided in the various stars they worshipped, and they literally were asking these gods and goddesses to come down to the buildings they were erecting to live in them! (David Ovason, "The Secret Architecture of Our Nation's Capital: The Masons and the Building of Washington, D.C.", p. 71)

How did Founding Father Masons view Washington, D.C.? Get ready for a surprise, for the answer comes from the spiritual realm -- the Satanic spiritual realm inhabited by demons and Antichrist.

"... the Masonic fraternities of the United States have visualized their federal city as the founding stone, not merely for the United States, but also for the Fourth Era, which will see the rebuilding, on an inner plane, the Temple of Solomon ... the Weeping Virgin symbolizes, in a feminine personification, a lamentation of the unfinished pyramid on the

Seal of the United States, and on every dollar bill. The pyramid is incomplete because it is the Egyptian Mystery equivalent to the Temple of Solomon." (David Ovason, ***"The Secret Architecture of Our Nation's Capital: The Masons and the Building of Washington, D.C."***, p. 186)

The Rebuilding of the Temple of Solomon is the code name occultists give to the work designed to stage Antichrist on the world scene. Therefore, the symbolism of the Capital tells a unified story that the purpose of this New Atlantis called the United States of America, is to produce the Masonic Christ -- Antichrist -- on the world scene; for this reason, Government Mall has two geometric symbols of Antichrist -- the right-angled triangle -- in its street layouts.

The Washington Monument was used as one of the key center points around which L' enfant planned Government Mall. The other two geographic points were the White House and the Capital Building. These three points constitute the L' enfant Triangle, a right-angled triangle whose shape represents the coming Masonic Christ, whom the Bible will call "Antichrist".

Conclusion

Can you see the importance of this Baal's phallus, the obelisk (Washington Monument) to the practicing Satanist?

Not only do practicing occultists bow down three times daily to the obelisk, they revere it so greatly that they planned it to be a centerpiece of the entire layout of Washington, D.C. Furthermore, veneration of the obelisk is center to the worship of the Serpent, Lucifer. Finally, using the obelisk as the key symbol, our Masonic Founding Fathers created Washington, D.C., to be the city of the Serpent, so it would be empowered to lead the nations of the world into the New World Order.

One final understanding is in order for you to fully understand how heinous God views the obelisk.

Satanists believe that a symbol -- once created on paper, on the ground, or in a ritual setting -- begins to pulsate spiritual energy outward into the world, 24 hours per day, 7 days per week. The Washington Monument is a very important symbol which began to emanate spiritual power into America once it was completed. This spiritual power will gradually move this nation into the Serpent Nation which can effectively move all the nations of the world into Lucifer's New World Order.

People over the years have asked me, "How would you know if a President was truly Born Again".

My answer is simple: "A President who is genuinely Born Again would order the Washington Monument (obelisk) torn down and burned on the very first day of his new Administration".

That kind of President would be following God's orders about obelisks to the letter! What a man! Him I would support wholeheartedly!!

However, the fact that the Washington Monument is still standing and that its symbolism is gaining in prestige every day, tells me that this country is firmly in the grasp of the Serpent Power.

Truly, the End of the Age is upon us.
