----- This Week's Hot News -----

I. Pope Benedict is said to be preparing to resign the Papacy in April, 2012!

This time frame would allow the new Pope to consolidate his Papacy and be ready if a spiritual 'Paradigm Shift' occurs on December 21, 2012!

NEWS BRIEF: "[Prepare the](#)

[Black Pope? Media Reports say Pope may resign in April, 2012](#)", Prophecy News Watch, 9/29/2011

"There is one front page news story that will certainly not go unnoticed: that is, that the Pope is thinking about resigning during the Spring of 2012. Journalist Antonio Socci has confirmed the same in the Italian daily, Libero. 'For now', Socci writes, 'he is saying that this may be true (Joseph Ratzinger's personal assumption), but I hope the story does not reach the news. But this rumor is circulating high up in the Vatican and therefore deserves close attention. The Pope has not rejected the possibility of his resignation when he turns 85 in April next year.'"

This news story is the second in as many weeks reporting a major event planned for 2012. In last week's newsletter, we reported that the Quartet of nations announced they had set the date of December, 2012, as the deadline by which they wanted a final Middle East peace treaty.

Now, we hear that Pope Benedict XVI (Joseph Ratzinger) does not want to continue his Papacy past his 85th birthday, on April 16, 2012. These rumors speak directly about Benedict's fear that he will not be able to continue the frantic pace of the Pope much longer.

If Pope Benedict XVI does resign, then the final pope of the St. Malachi prophecy will step to the world scene. IN Volume I, "2012 & Beyond", Doc Marquis speaks at length of the St. Malachi prophecy, pointing out the truth that, through Pope Benedict XVI, who is the 111th Pope, the details concerning each pope has been uncannily accurate.

The final Pope will be the 112th in St. Malachi's prophecy and he will take the name, Peter the Roman. Just as Bible prophecy states of the False Prophet, Peter the Roman will be martyred and Rome destroyed. And, do not be deceived, for the Illuminati has planned that the top religious leader of the New World Order Religion will be the Roman Catholic Pope, whomever he is at the time of the appearance of the Masonic Christ.

I find the timing of Pope Benedict's possible resignation to be very interesting. Just eight months later, the widely-acclaimed date of December 21, 2012, will be upon us. We make the case in our two DVD's "2012 & Beyond", that the only event which might occur on that date is a demonic possession pouring out of

the Abyss and controlling every unsaved person on the Earth. This demonic possession will cause an immediate spiritual and mental transformation which occultists call "The Universal Mind".

Suddenly, peoples of every race, religion, and country will be thinking in sync! Only then can the Masonic Christ arise, according to "Master D.K.", the demonic entity channeled in House of Theosophy writings.

Furthermore, as we demonstrated in Volume 2 of our '2012' series entitled, "Paradigm Shift", this massive demonic possession, this "paradigm shift" of spiritual values and mental mindset, may take the form of a global Marian Apparition!

Quoting from "2012 Paradigm Shift" DVD, we hear:

"Pope John Paul II is 'anxiously awaiting a potent world-wide Marian Vision. [World] chaos is to precede this vision. This vision will validate the global reign of Pope John Paul II, and will establish him as the ultimate spiritual Judge of the Planet..." (Quoted from Malachi

Martin's book, "The Keys To This Blood")

How does the Pope know this world-wide apparition will occur? In 1981, as he was recovering from his attempted assassination, he was suddenly visited by the Virgin Mary, who transported him back to the Fatima Vision of October 13, 1917. Pope John Paul II viewed the vision as though he had been there. However, this time, the message was different. Pope John Paul was told

that he was to expect, and await, a super-natural Marian Vision, like Fatima.

What is the purpose of this Marion apparition?

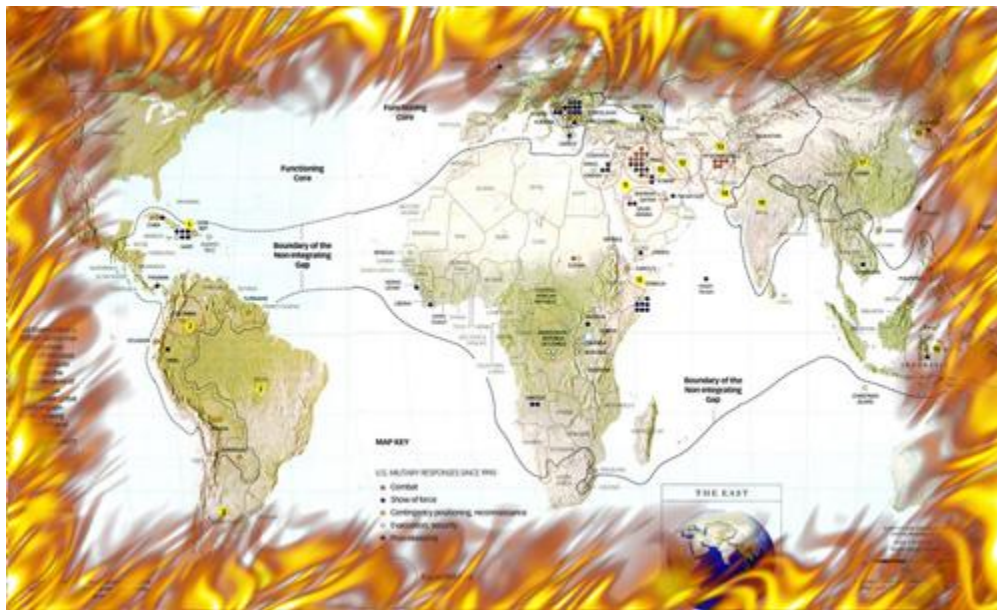

"... the purpose of this super-natural vision is to validate the Roman Catholic church as the only true church and this Pope as God's ordained leader. This event will be most powerfully psychic. The force accompanying this vision will be so powerful it will literally bring the normal activity of the world to a standstill. Men will be so moved that their 'consciences will cry out with fear'. This vision is supposed to produce an 'engulfing chaos, along with misdirection, and disequilibrium in human affairs'. In other words, the entire population of the world will experience a simultaneous changing of their minds. This vision will be preceded by either a loud sound, a bright light, or perhaps a strong odor."

These effects are identical to those which New Age writers have predicted during the appearance of Anti-Christ!! Only after this Super-Natural Marian Vision can the new official Seal of the New World Order be unveiled. The world will under-go the greatest change of will, mind, and heart in history. The Pope will stand as the undisputed world religious leader, with a following that will be down-right fanatical.

If Pope Benedict resigns in April, 2012, the new Pope will have eight months to consolidate his reign and prepare for the global Marion Apparition which will validate his office and the Roman Catholic Church as the only true religion on Earth!

At that point, the Roman Catholic Pope can ascend to the global role of False Prophet, the top religious leader of all the world's religions!

The date of December 21, 2012, is shaping up to possibly be a very important date in world history. We can only wait to see what the Holy Spirit allows, to see if the Holy Spirit has removed His restraining power against Satan (2 Thess 2).

II. Algeria stands as the only nation which has not yet succumbed to the creation of Supernation #7, which is "Northern Africa and the Middle East".

This news article focuses on Northern Africa.

NEWS BRIEF: "[North Africa's Last Line of Defense:](#) **Algeria's Bouteflika regime is the last remaining obstacle between Islamic extremists and the complete destabilization of North Africa**", Middle East Online, 10-03-2011

"Despite its repressive nature, Algeria's Bouteflika regime is the last remaining obstacle between Islamic extremists and the

complete destabilization of North Africa, says Daniel Nisman ... Since the Libyan conflict first broke out in February 2011, a wave of terror attacks has hit Algeria as the result of an increasingly porous border and the loss of the Gaddafi regime, perhaps Bouteflika's most important ally in the war on terror."

"Bouteflika's government is regarded throughout the Arab world as one of the last of the repressive and corrupt regimes who have yet to be overthrown in the 'Arab Spring'. Protests and demonstrations occur throughout the country on a daily basis..."

Do you remember our premise in Headline News article NEWS2436, entitled, ["The World Is On Fire In The 'Non-Integrating Gap'"](#)? Listen to this Illuminati planning document.

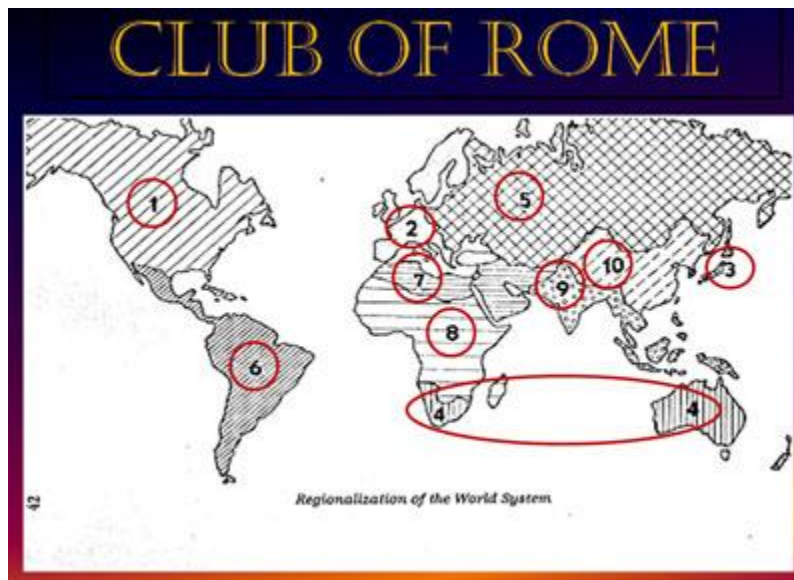

"Using the book, 'The Pentagon's New Map', published in 2002, we realized that our predictions of long-term wars in Afghanistan and Iraq were on target. But, we realized that the other countries within this 'Non-Integrating Gap' are going to suffer the fires of war, threats of war, economic collapse and other pressures designed to move them into the global "Functioning Core"! Now that the wars in Afghanistan and Iraq are drawing down, the time has come to spread the wars and "Regime Change" pressures to the other nations in the "Non-Integrating Gap".

Remember the words of the Naval War College author of "The Pentagon's New Map":

"Any time American troops show up -- be it combat, a battle group pulling up off the coast as a 'reminder', or a peacekeeping mission -- it tends to be in a place that is relatively disconnected

from the world, where globalization hasn't taken root because of a repressive regime, abject poverty, or the lack of a robust legal system. It's these places that incubate global terrorism. Draw a line around these military engagements and you've got what I call the Non-Functioning Gap."

That is exactly what we did. The picture above is the "Non-Integrating Gap".

When you consider the global map of the world from the Club of Rome, which redraws the map of the world into exactly 10 supernations (Daniel 7:7-8), you suddenly realize -- with a start -- that two of the supernations

fall exactly where the "Arab Spring" protests are sweeping deeply entrenched dictators from power.

And, this entire plan is precisely the plan outlined in the book, "The Pentagon's New Map"!

The entire Northern Africa portion of Supernation #7 will be cleansed of its entrenched dictatorship once Algeria falls.

Truly, prophecy is being fulfilled in our **Daily News!**

III. Do Liberal Progressives want the elections of 2012 cancelled?

That may be the only way they can keep Barack Obama in the White House past January 20, 2013.

NEWS BRIEF: "[Progressives Agenda Seeped Out: Suspend the Elections of 2012](#)", by Jeff Churchill, Hawaii Reporter News, October 4, 2011

"Progressives who now control the Democratic Party, had an "oops" moment on Wednesday, September 28, 2011, with a "Freudian" slip during a speech given by Gov. Beverly Perdue (D) from North Carolina at the Cary Rotary Club, stating that maybe we should suspend democracy for two years by canceling the 2012 elections until the economy recovers. After the slip an air of silence loomed over the Rotarians in attendance."

Wow, I can imagine the incredible shock from these patriotic Rotarians when their governor actually says the 2012 elections should be cancelled! The air must have hung thick and heavy after that statement.

"In typical fashion the Governor's staff quickly went into the spin cycle mode declaring that it was a joke. I don't think so. Especially, when not so long ago, September 14, 2011, when former White House director of the Office of Management and Budget, Peter Corsage stated in an article titled, Too Much of a Good Thing-Why we need less democracy: 'we need to counter the gridlock of our political institutions by making them a bit less democratic'."

Does President Obama feel the same way President Bush felt when he said, **"If this were a dictatorship, it would be a heck of a lot easier, just so long as I'm the dictator."**

Genuine Conservatives were very angry at President Bush for this statement, because we know that one of the ultimate aims of the New World Order is an Absolute Dictatorship.

Now, let us return to our featured story:

"How many more within the ranks of the Democratic Party are having these types of discussions? Is this part of the Progressive Agenda, the transformation of America? Circumventing the United States Constitution, Article I, Sections 2 and 3, by suspending our elections? We already know that Progressives hate the Constitution and have been attacking it for years. Is this Obama's 'Change you can believe in?' I certainly hope not!"

"Progressives want a large intrusive Government to oversee the masses ... Since Obama's polls are dropping in record numbers, and we all know how much he prefers to govern by executive fiat, with the creation of civil unrest, President Obama could implement another executive order suspending the elections of 2012, using 'mob rule' to justify the means."

While this idea is most titillating, I do not expect the 2012 elections to be cancelled.

What I do expect is that Barack Obama is planned to be one-term president who has carried out the Illuminati Plan perfectly and will now step aside for the first Mormon president who will ride forth to save the Constitution, just as Mormon prophecy foretells.

-----Concluding Inspiration -----"Happy art thou, O Israel; who is like unto thee, O people saved by the Lord!" Deuteronomy 33:29

He who affirms that Christianity makes men miserable, is himself an utter stranger to it. It were strange indeed, if it made us wretched, for see to what a position it exalts us! It makes us sons of God. Suppose you that God will give all the happiness to His enemies, and reserve all the mourning for His own family? Shall His foes have mirth and joy, and shall His home-born children inherit sorrow and wretchedness? Shall the sinner, who has no part in Christ, call himself rich in happiness, and shall we go mourning as if we were penniless beggars?

No, we will rejoice in the Lord always, and glory in our inheritance, for we "have not received the spirit of bondage again to fear; but we have received the spirit of adoption, whereby we cry, Abba, Father." The rod of chastisement must rest upon us in our measure, but it worketh for us the comfortable fruits of righteousness; and therefore by the aid of the divine Comforter, we, the "people saved of the Lord," will joy in the God of our salvation.

We are married unto Christ; and shall our great Bridegroom permit His spouse to linger in constant grief? Our hearts are knit unto Him: we are His members, and though for awhile we may suffer as our Head once suffered, yet we are even now blessed with heavenly blessings in Him. We have the earnest of our inheritance in the comforts of the Spirit, which are neither few nor small. Heritors of joy for ever, we have foretastes of our portion. There are streaks of the light of joy to herald our eternal sunrising. Our riches are beyond the sea; our city with firm

foundations lies on the other side of the river; gleams of glory from the spirit-world cheer our hearts, and urge us onward.

Truly is it said of us, "Happy art thou, O Israel; who is like unto thee, O people saved by the Lord?"

"Morning and Evening Devotions", by C.H. Spurgeon
