[don't miss this by Melanie Phillips>The oldest obsession](#) The tsunami of indoctrination in anti-Israel lies and bigotry by the British media and intelligentsia has reached such a pitch that, as blogger [Edgar Davidson](#) reports, it is now warping the minds of even pro-Israel Jews. He writes:

My daughter, who goes to an *orthodox Jewish school*, tells me that, when the subject of Israel is discussed in their Jewish studies GCSE class, students routinely

state things like 'the Jews have no right to Israel because they stole the land from the Palestinians'.

In making statements like that, those regular 15-16 year old Jewish kids, are simply repeating what they are told relentlessly in every part of the media
