

“The time is soon coming when God's people, because of persecution, will be scattered in many countries. Those who have received an all-round education will have the advantage where they are.”--5MR 280 (1908). {LDE 152.1}

Compare the above statement with Ezekiel 20:34-38:

34 And I will bring you out from the people, and will gather you out of the countries wherein ye are scattered, with a mighty hand, and with a stretched out arm, and with fury poured out.

35 And I will bring you into the wilderness of the people, and there will I plead with you face to face.

36 Like as I pleaded with your fathers in the wilderness of the land of Egypt, so will I plead with you, saith the Lord GOD.

37 And I will cause you to pass under the rod, and I will bring you into the bond of the covenant:

38 And I will purge out from among you the rebels, and them that transgress against me: I will bring them forth out of the country where they sojourn, and they shall not enter into the land of Israel: and ye shall know that I *am* the LORD. Ezekiel 20:34-38.

It is interesting to relate the above E.G. White statement and Ezekiel 20:34-38 with the following artical from Cutting Edge Ministries—*The Rewilding of North America*.

The Gulf Oil debacle is affecting folk as far inland as San Antonio, Texas.

[Title: Is The BP Oil Spill Planned To Be The Greatest Single "Rewilding" Event Yet?](#)

Subtitle: If a cataclysmic event like a Category 5 hurricane or a massive tsunami triggered by a huge earthquake now hits the region, a storm surge of frightening proportions could sweep over enormous sections of the Gulf Coast, pouring crude oil and toxic dispersants over beaches, farmlands and cities.

National Guard troops are already on site, ready to react to such a catastrophe. Could the region be "Rewilded"?

The New World Order is coming! Are you ready? Once you understand what this New World Order really is, and how it is being gradually implemented, you will be able to see it progressing in your daily news!!

What Is "Rewilding"?

The Illuminati has created a most sinister plan entitled the "Rewilding of America". This is their ultimate goal, and it is toward this most horrible end that events are inexorably moving.

First, let us lay some groundwork for our discussion. One of the first New World Order Plans ever published was a work entitled, ["The Protocols of the Learned](#)

[Elders of Zion"](#). Written with a very thin cover as the plans of worldwide Jewry to gain control of the world, this plan is, in reality, a most comprehensive plan as to how to achieve the New World Order. The exact date in which this was written is obscured, but some believe it was written in the late 1700's. When I read this little volume, I am amazed at the supernatural insight into human behavior these authors possessed.

Listen, now, to their plans as the world is just about to enter the final phase of the transition into their 'kingdom', the New World Order.

"When we come into our kingdom, our orators will expound great problems which have turned humanity upside down in order to bring it, at the end, under our beneficent rule. Who will ever suspect, then, that all these peoples were stage-managed by us according to a political plan which no one has so much as guessed at in the course of many centuries?" ["The Protocols of the Learned Elders of Zion, end of Protocol No. 13.]

Wow!! None of the peoples who are living at the time when the kingdom of the New World Order is being established, will ever understand that they have been 'stage-managed' by their leaders according to a plan that is several centuries old!! The New World Order literature quite boldly declares, time and time again, that their plan is a conspiracy; the Bible teaches conspiracy between God and Satan for control of the world, and a conspiracy at the very end that will allow Antichrist to arise. Yet, with both spiritual sides agreeing that there is a global conspiracy here, the most common belief held by the man on the street is that such a global conspiracy is impossible!! But, of course, that is exactly what the conspirators want you to believe, for then their activities can occur in the open, without fear of detection. Christians, wake up, and believe your Scriptures, and believe the words of the New World Order conspirators: we are seeing a global conspiracy occurring in our daily news, drawing us ever closer to the actual implementation of the New World Order.

Now, let us examine the first part of the Plan, above, which states that, just before the actual implementation of the New World Order, their "orators will expound such great problems which have turned humanity upside down in order to bring it, at the end, under our beneficent rule". Now, what "great problems", which are turning our world upside down, have we been hearing about for the past 20 years? We have been hearing about how man-- the highest of all the animals in the Evolutionary ladder -has been irretrievably damaging the Earth's environment, in all the following ways:

- * Polluted waterways, lakes, ground water, and streams
- * Polluted air
- * Ozone layer holes
- * Smog in all the cities, with all the damage created worldwide
- * Polluted landfills
- * Carcinogens in the air
- * Global warming - or is it cooling now?- caused by man's activities
- * Mining operations that are damaging the environment, and the "ecological diversity" of the Earth

* Cutting of forests, especially rain forests

* Human overconsumption that constitutes tremendous waste of Mother Earth's limited resources.

Whenever responsible people, like scientists not involved with the Plan, object that most of the above warnings are just not true, or cannot be proven by scientific analysis, the answer we always hear is that, if such disasters were simply possible, we must act now. If we wait to act until science can "prove" such disasters are happening to Mother Earth, it would be too late to do anything about it. We have also seen how the extreme environmentalists have always resorted to creating fantastic false statistics about the amount of damage there is created. Statistics that, if analyzed, are found to be impossible, are continually being thrown out to a listening audience that swallows them down without ever thinking critically about them.

We have examined the original plan as espoused by the "Protocols of the Learned Elders of Zion" above, to deliberately create such huge disasters to panic the people into allowing the New World Order to be established. That was written about 200 years ago. Now, let us move forward in time to Mikhail Gorbachev, former leader of the old U.S.S.R. Gorbachev said that the "threat of environmental crisis will be the 'international disaster key' that will unlock the New World Order." ["A Special Report: The Wildlands Project Unleashes Its War On Mankind", by Marilyn Brannan, Associate Editor, Monetary & Economic Review, p. 5.]

Extreme Environmentalism is designed to be the leading force in moving the world into the New World Order. Such environmentalism in this country is being primarily implemented by Executive Order, not by Congress, simply because these people are aware that Congress, which is still elected by the people, could not enact such legislation without getting thrown out at the next election. Therefore, the Executive Branch, the President's Administration, has been quietly enacting a most bold plan to implement the Draconian goals of the New World Order through Directive, not through the Congressional process. After all, who pays much attention to what most of the obscure Federal Government agencies are doing? Most Conservatives have simply relaxed because we have prevented most of the very extreme environmental legislation from being passed through Congress, not realizing the enemy is entering the proverbial chicken house by a rear door.

Human Populations And Where They Live

Let us review the broad scope of the applicable New World Order Plan regarding human populations. The New World Order Plan calls for a rapid and forced reduction in the world's population from the present 6 billion to only 2 billion.⁴ This Plan also envisions severely restricted usage of the land, all over the world, and a return back to the kind of economy which existed worldwide about 300 years ago.

Before you scoff, let me remind you of the words of Jose Arguelles, writing in his "25-Year Plan For The Earth". Arguelles calls for a "5-year phase-out of our industrial civilization", to be implemented by the United Nations! As if this information is not shocking enough, then Arguelles drops the real bomb, as he reveals the Plan for the period, 1997-2002. This 5-year plan will be "Known as the Era of Reseeding, it will thin out major population centers. The human population will be resettled." ["Progress As If Survival Mattered", Friends of the Earth: 1981, p. 68-70, quoting David Brower, Friends of the Earth Chairman, former head of Sierra Club, as quoted in "A Planned Deception: The Staging of a New Age 'Messiah', by Constance E. Cumbey, Pointe Publishers, Inc., East Detroit, MI, 1985, p. 164-5.]

Did you catch that last statement? The human population WILL BE resettled. Major population centers WILL BE thinned out. THIS is the true impact of this legislation. When time comes for the "thinning out" and the "resettlement", no individual will have any say about whether or not they will go to the new area; they will NOT be allowed to stay in their privately-owned property. The benevolent, kindly mask of the Government Beast will have come off, revealing the true Nazi Wolf that has been there all along, now ready to rend and kill the flock.

While the Plan is obviously behind the schedule envisioned by Jose Arguelles, the Plan itself continues to march onward.

What no one is telling you is that these areas to be set aside in New World Order planning will be swept of all human living and/or development, as part of the United Nations Biodiversity Protection program, created in 1972. This plan literally conceives of setting aside huge areas of the world where no humans can live -- will be allowed to live -- or work, or play. While this plan is global and is being instituted globally, we will limit our study of it to the United States. [The entire plan is published in a report entitled, "Our Global Neighborhood: The Report of the Commission On Global Governance", Oxford University Press, ISBN 0-19-827997-3, 410 pages long.]

Now, let us refer to this map of the United States, pictured here.

This plan in America is called the "Rewilding" of America. This term means to re-wild this continent. In other words, they plan to sweep aside all evidences of human endeavor, i.e., homes, businesses, structures, entire cities, allowing the land to go back to its natural state, before the wicked White

Man took the land from the Native Americans (Indians). Using Presidential Directive, normally exercised through various Federal Government agencies, this "rewilding" project will be accomplished by declaring huge tracts of land completely off limits to humans. These tracts of land would be called 'reserves'. Reserves would "include wilderness areas and national parks while inner buffer zones would permit no agriculture, no more than 0.5 miles of road per square mile of land, primitive camping, and only light selection harvesting of forests. The June 25, 1993, issue of Science magazine reports that the plan calls for 23.4% of the land to be put into wilderness (no human use) and 26.2% into corridors and human buffer zones (very limited use by humans)." [Op. Cit., Brannan, p. 2.]

This is 50% of America!!! If we could show you the map, where these off-limits zones are designated, your mind will be blown by the unbelievability of it all!! You will be able to see if your area is one of those who are to swept clean of human activity, and you will be able to see where you might wind up being relocated. As I am looking at the map, I see that many entire states are set aside, to prevent any human activity at all.

Let us define the color coding of the various portions of land represented on this map:

Red -- Core Reserves and Corridors -- Little to no human use. This area is defined as the habitat of plants and animals. All human activity is to be forbidden.

Yellow -- Buffer Zones - Highly Regulated Use. 'Buffer Zones' are those areas surrounding the wilderness areas. Limited and strictly controlled, only access is to be permitted by humans. No organized activity, such as work, or homes, or cities, will be allowed. Knowing how dictatorial government works, any humans allowed

to be in these Buffer Zones will probably have to be given special permits. And, of course, paramilitary forces will undoubtedly have to be patrolling these zones, enforcing the limited human access.

Light Blue -- Normal Use, Zones of Cooperation. These are the only zones where humans will be allowed to live, and presumably, work.

To implement these draconian plans, our Illuminati leaders have drawn up a 5-step program of action:

1. "Redraw land maps' based upon biological characteristics, not on political boundaries
2. "Regroup human populations into self-sustaining settlements that minimize impact on biodiversity." [Remember Argulles' goal for the 1997-2001 5-Year Plan, i.e., "Thin out population centers and Resettle populations"?)
3. Educate humans in the 'gaia ethic'. [This is the Satanic concept that Mother Earth is a living, breathing goddess, the creator and sustainer of all life. And, yes, she is very angry at the way mankind is treating her!! This is why we have had so many bad storms the past several years you know. And, believe me, too many of our current political leadership believes this paganism!
4. "Create a new system of governance based on local decision-making within the framework of international agreements". This new system of governance will most definitely not be based upon our wonderful Constitution, with its protection of the individual, its control of the three branches of government, and its Christian base. Nature worship is here, and it is dominant!
5. Reduce the use of natural resources by (a) reducing population; (b) reducing consumption; and (c) shifting to 'appropriate' technology. [These 5 points taken from Brannan, p. 7.] Did you notice that President Obama, speaking on June 15, 2010, from the Oval Office, urged that the only workable solution to the oil spill mess is to reduce consumption of fossil fuels and to leap ahead in developing appropriate technology which would provide us with clean fuels? Thus, Obama touched on two of the three Illuminati goals in his speech.

Oil Spill Disaster In The Gulf of Mexico

When you take a very good look at the "Rewilding Map", above, you will realize that the vast majority of land from Texas to Florida is either Red or Yellow. In other words, the Rewilding plan foresees the movement of entire populations out of their current location and into designated light blue

areas. How do you persuade millions of Americans to relocate from their beloved communities?

The answer is simple: create a disaster so large that people will either voluntarily leave or that is so huge and serious that the government orders people to relocate.

This is the Hegelian Dialectic at its best: "Controlled Conflict Brings About Controlled Change". Or, in this instance, "Controlled Disaster Brings About Controlled Change".

As we take a close look at this map of the oil spill, you can see that this oil spill is going to spread all the way along the Gulf Coast to Florida, around the peninsula and move northward in the Atlantic Ocean, before heading out to the open Atlantic Ocean. Crude oil by the tens of millions of gallons plus toxic dispersants are going to spread several thousands of miles along some of the most beautiful beaches in this country.

Notice that the Rewilding Map plans that a great amount of land will be set aside for "little to no human habitation".

The real problem may be the toxic dispersants which BP has released into the Gulf waters in a futile attempt to disperse the crude oil. How toxic is this dispersant?

NEWS BRIEF: ["Doctors treat toxic illness from burning oil, fumes and dispersants"](#), Florida Oil Spill Law, June 15, 2010

"Mysterious illness plagues Gulf oil disaster workers, WOAI San Antonio, June 15, 2010: For weeks now, local hospitals have tracked patients with suspicious symptoms coming in from the gulf coast. ♦ 'Headaches, fatigue, problems with memory and concentration, upset stomach', lists Dr. Claudia Miller at UT Health Science Center. The illness is called 'TILT', or 'Toxicant-Induced Loss of Tolerance'. Patients lose tolerance to household products, medication, or even food after being exposed to chemicals, like burning oil, toxic fumes, or dispersants from the spill."

This dispersant may be more dangerous to human health than the crude oil itself!

The Gulf of Mexico spawns some of the greatest hurricanes on earth. What would happen if a Category 5 hurricane would plow through the oil / dispersant area in these waters? The answer is that a very large amount of beaches and some inland areas could be swamped with a large storm surge.

But, there could even be a more serious problem. News reports are indicating that the seabed appears to be cracking around the original oil well. What could happen if an earthquake the size of the Indonesian quake in December, 2004, were to strike in this area? Consider this news article on the damage a Category 2-5 hurricane might do versus the possibility of a tsunami.

NEWS BRIEF: ["Gulf of Mexico tsunami unlikely, but hurricane damage would be similar"](#), Weather Section, USA Today, 1/11/2005

"BATON ROUGE (AP) ♦ A tsunami isn't likely in the northern Gulf of Mexico, but a hurricane's storm surge could cause damage like that in the Indian Ocean, shoving 15 to 30 feet of water inland, scientists say ... Hurricane Ivan's storm surge along the Alabama coast was 10 to 12 feet in height ... a strong category 2 or 3 hurricane could push water more than 15 feet deep onto the shore. A category 5 hurricane could create a 30-foot storm surge, van Heerden said.

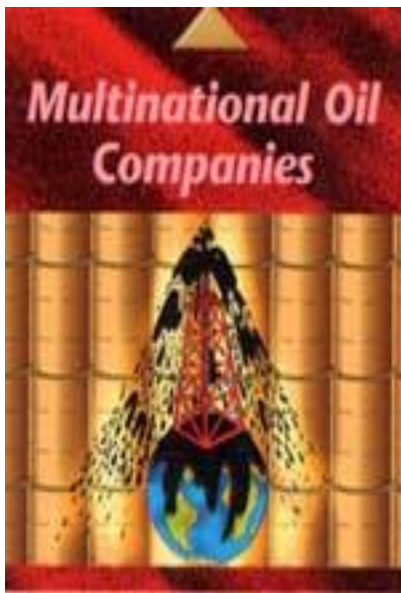

"During Hurricane Ivan, one buoy about 100 miles southeast of the Mississippi River's mouth registered a wave 52.5 feet tall before it was torn from its mooring ... Workers trapped on a semi-submersible platform about 140 miles south of Grand Isle during Ivan took pictures of waves crashing over handrails normally 60 to 65

feet above the surface of the Gulf. One company told Stone it found wave damage on a rig 90 feet above sea level.

" 'I hope we do not have to have a real disaster, like this tsunami, in order for the federal government to come along and help bolster our coast', Stone said..."

If huge waves could surge ashore like it did from the Indonesian quake, crude oil and toxic dispersants could inundate the land for miles inland.

Such a disaster would give the Federal Government the excuse it needs to move National Guard and other military units into the area and force a large-scale evacuation. The planned "rewilding" could then be underway.

Oil Derrick Spill Planned

This Illuminati Card Game card -- pictured left -- was created in 1995.

The aim of each card is to depict an action the Illuminati is planning to take in order to overthrow our current civilization -- the Old World Order -- so that the New World Order can be established.

This BP oil spill is one of those actions seemingly designed to end our civilization as we know it. It was planned. It carries an "Illuminati Signature" of '11' on the entire event.

In the occult, the number '11' is the number of the coming Masonic Christ (antichrist).

In the current [Newsletter dated June 9](#), we spoke to the issue that the oil spill has an *Occult Signature* on it of '11', the number for Antichrist, both in Biblical and in occult writings. From paragraph III, of the June 9 Newsletter we read:

"Being the Satanists they are, the Illuminati literally believes that a very good plan can fail unless it is carried out 'by the numbers'. Therefore, they so consistently carry out a planned event by the numbers that the sacred numbers constitute an 'Occult Signature". The oil spill carries the ultimate Illuminati Signature, the number '11' -- the number of their coming Masonic Christ."

Consider the instances where an Occult Signature of '11' is most evident already:

* ..."key representatives from both companies had a 'skirmish' during an 11 a.m. meeting on April 20. Less than 11 hours later, the well had a blowout, an uncontrolled release of oil and gas, killing 11 workers. "

In one short paragraph, we see three instances of the Number 11. But, there was one more "11" in this news story, in another sentence.

* "The cap on the damaged oil well captured 11,000 barrels of oil in the last 24 hours..."

Now, President Obama has chosen Day 56 of the oil spill as the day in which he shall address the nation on the progress or the lack of progress, in containing the gushing crude.

April 20 is also a very interesting day for the occultist. It is the second day of an annual Satanic sacrifice known as the **"Blood Sacrifice To The Beast"**. The first day, April 19, is most important as human sacrifice is required by covens all across the globe. This 13-day period is really bracketed at both ends by important days in the esoteric calendar. April 19 is a very important day, but even more so is May 1, the celebration known as **Beltaine** -- the second most holy day in the occult calendar, second only to **Halloween**.

Therefore, this oil spill started during the annual **"Blood Sacrifice To The Beast"**.

Given President Obama's speech lately that the oil spill needs to be a wake-up call to all mankind, forcing us to use environmentally friendly fuels -- alternative fuels - - one can only wonder if our current civilization is going to be sacrificed and eventually abolished. Certainly, New Age literature is very strong in saying that this will be the case, but they also are very bold in saying that this overthrow of our current civilization will not occur until the New Age Christ carries out his "cleansing of the Earth".

This Illuminati timing means that the overthrow of our oil-based civilization will not occur until Antichrist is on the world scene and the 7-year Tribulation Period is in effect. Additionally, the Plan does call for all countries to be taken off dependence upon oil and be forced to adopt alternative fuels. We are slowly marching toward that Plan, and the oil spill will figure prominently in carrying out that part of the Plan.

Even President Obama's speech carried a signature of '11'. His speech occurred on June 15, 2010, precisely 56 days after the oil spill began (April 20). When you "reduce" this number to one, as occultists do, by adding 5+6, you get '11'.

We must be prepared for this oil spill and the toxic dispersants getting poured on to the beaches and inland. If that were to happen, entire communities could be forced to relocate. Military units have been called up, readying to be used at a moment's notice.

Are you spiritually ready? Is your family? Are you adequately protecting your loved ones? This is the reason for this ministry, to enable you to first understand the peril facing you, and then help you develop strategies to warn and protect your loved ones. Once you have been thoroughly trained, you can also use your knowledge as a means to open the door of discussion with an unsaved person. I have been able to use it many times, and have seen people come to Jesus Christ as a result. These perilous times are also a time when we can reach many souls for Jesus Christ, making an eternal difference.

If you have accepted Jesus Christ as your personal Savior, but have been very lukewarm in your spiritual walk with Him, you need to immediately ask Him for forgiveness and for renewal. He will instantly forgive you, and fill your heart with the joy of the Holy Spirit. Then, you need to begin a daily walk of prayer and personal Bible Study.

If you have never accepted Jesus Christ as Savior, but have come to realize His reality and the approaching End of the Age, and want to accept His FREE Gift of Eternal Life, you can also do so now, in the privacy of your home. Once you accept Him as Savior, you are spiritually Born Again, and are as assured of Heaven as if you were already there. Then, you can rest assured that the Kingdom of Antichrist will not touch you spiritually.

If you would like to become Born Again, turn to our [Salvation Page](#) now.

We hope you have been blessed by this ministry, which seeks to educate and warn people, so that they can see the coming New World Order -- Kingdom of Antichrist -- in their *daily news*.

Finally, we would love to hear from you.
