

Remember This Date

[Click to go to our Home Page](#)

Remember this date. The following caption is from Steve Nagy's Facebook page as of Sabbath, May 9, 2018. This is a false prophecy that WILL NOT come true within the time frame cited. Steve is making his reckoning from a false prophet who believed in spiritualism, rather than going by the Seven Seals and Daniel 8. Civil War may well occur in South Africa, but WW III will not occur within the time frame indicated.
