**Subject:** Please seek the Lord and Use Discernment on this Warning

EXTREME ALERT-MOVE YOUR FAMILIES NOW!:

Inside sources have informed me that Full scale Gulf Coast evacuations are expected to begin in next couple of weeks. With Methane now surfacing and Bubbling in Florida waters the potential for a Methane Explosion of unimaginable devastation now comes into focus. Further Law Enforcement Sources are being Advised of ESCALATING VENT DETERIORATION. Two Definitions were provided to me. First VENT DEFINITION- The opening in a volcano from which gas and molten rock erupt and ESCALATES - DEFINITION GIVEN- To expand step by step as from a limited or local conflict into a General NUCLEAR WAR to become unmanageable. You don't need a rocket science degree to read between the lines. Ten Years ago after the Papua New Guinea Earthquake in which Burnt to a Crisp bodies were pulled from the Fiery Seas- Stan Deyo and I did multiple Radio programs together over the years, warning of the Methane Hydrate Problems off our Coasts that could turn into Seas Of Fire. Now maybe you can understand our warnings in perspective!. With massive numbers of Military assets being moved south it is being stated, that Martial Law initially will be on a regional Basis,. You will have no choice as you will be moved against your will, to places you really don't want to be moved to. Have you wondered what will become of everyones stuff thats left behind in abandoned homes and offices THEY HAVE! To the Victors (THE NWO CROWD) go the spoils! I encourage everyone to prayerfully consider all the above information and use your GOD GIVEN FREE WILL TO MOVE. There will be a complete shutdown of all commerce and Industry in the Areas affected by the Forced Evacuations. Don't assume your credit cards will work at this time, as a Cyberattack is to be Launched against the US FINANCIAL System concurrent with the mass evacuations that will deny access to funds. Have Cash on Hand to get you where you need to go. LIFE AS WE HAVE KNOWN IS ABOUT TO TAKE AN APOCALYPTIC CHANGE FOR THE WORST. Now's a great time to get right with JESUS-as he told us this stuff was going to happen in Matthew 24,Luke 21 and in the Book of Revelation. May the GOD OF HEAVEN Guide and Direct those who CALL OUT TO HIM IN REPENTANCE AND FAITH. Steve Quayle [www.stevequayle.com](http://www.stevequayle.com)
