Brother Ron

According to the prophecy it is the RAM who is "pushing" first and we are expecting a terrorist act coming from Iran..then the he goat is who "smote the ram...in the fury of his power. ..." this is what the article says.

"I saw the ram pushing westward, and northward, and southward; so that no beasts might stand before him, neither was there any that could deliver out of his hand; but he did according to his will, and became great.

5And as I was considering, behold, an he goat came from the west on the face of the whole earth, and touched not the ground: and the goat had a notable horn between his eyes.

6And he came to the ram that had two horns, which I had seen standing before the river, and ran unto him in the fury of his power.

7And I saw him come close unto the ram, and he was moved with choler against him, and smote the ram, and brake his two horns: and there was no power in the ram to stand before him, but he cast him down to the ground, and stamped upon him: and there was none that could deliver the ram out of his hand.

Brother George,

Consider the option that the pushing of the Ram has already occurred in the buildup of Iran and Iraq over the centuries in the post Medo-Persian history of Iran and Iraq. Iran, via Al Qaeda
